ABOUT US

We’re Kemetique Studio, a design studio led by three creative minds with one shared obsession: turning ideas into spaces that just feel right.

Every project starts with you. We listen, explore, and shape your vision through mood boards, space planning, 3D visuals, and technical drawings, tailoring every detail along the way. Because to us, great design isn’t just about how a space looks, but how it feels, flows, and works for you.

OUR DESIGN APPROACH

We believe every interior should feel intentional, personal, and effortless. Our approach balances aesthetics and functionality to create spaces that reflect the people who live in them.

01. FUNCTION WITH PURPOSE

02. DESIGN WITH CHARACTER

- From spatial planning and material selection to the smallest finishing detail, every element is considered as part of one cohesive vision.

WHY WORK WITH US?

Every project begins with understanding you - your lifestyle, needs, taste, and vision. We create spaces that feel personal rather than generic.
